Dear Sir:

During a telephone interview on November 28, 2006 with Examiner Elizabeth C. Kemmerer, Ph.D., Daphne Reddy, Ph.D., Agent of Record, inquired about the correct date for filing a response to the pending Office Action in this application. Dr. Kemmerer explained that, contrary to what is stated in the Advisory Action mailed on October 25, 2006, Applicants have two months from the filing of a Notice of Appeal (October 20, 2006) to file a response, wherein the two-month period is extendable under 37 C.F.R. 41.37. Examiner Kemmerer further indicated that any new references or other evidence submitted by Applicants in response to the new references cited in the Advisory Action would be entered and considered.

Respectfully submitted,

Date: December 28, 2006
